Street Angels. Churches Together are putting together a 'Street Angels' scheme to look out for people returning to their homes, asking whether they need anything and referring back any requests to the Flood Office. Street Angels will work in pairs on a particular round, once or twice a week. Please help in this important work. The road to recovery is strewn with difficulties and for many people returning to rebuild home life will be one. Let us once again look out for each other.

Please call in at the Flood Office, Christ Church Rooms, between 10:30 and 13:30, Mon-Fri or phone them on 01900 826505. Martyn

As the **Worship Group** are being used more it would be nice to have more people involved – voices and instruments.
